In the Matter of

THE APPLICATION OF THACKER-GRIGSBY

TELEPHONE COMPANY, INC., TO CONSIDER

CHANGES WITH RESPECT TO THE EXPEN
SING OF STATION CONNECTIONS RESUL
TING FROM THE AMENDMENT OF THE UNI
FORM SYSTEM OF ACCOUNTS

CASE NO.
8350

ORDER

On February 10, 1982, the Commission entered its
Order in the above case finding, amoung other things, that
Thacker-Grigsby Telephone Company, Inc. ("Thacker-Grigsby") had
failed to file tarifts for recovery of expenses under the
first phase of expensing of station connections and that
this case should be dismissed without prejudice in the event
Thacker-Grigsby failed to file such tariffs within 30 days
of the date of the Order. The Commission also found that
should the case be dismissed Thacker-Grigsby may file tariffs
to recover operating costs caused by the second, third
and/or final phases of the expensing of station connections
and, further, that Thacker-Grigsby should not be precluded
from filing tariffs to recover costs related to the expensing
of station connections as part of a general rate proceeding.

The Commission, having considered the matter and being advised, is of the opinion and finds that Thacker-Grigsby has not filed tariffs pursuant to the provisions of the Commisson's Order entered February 10, 1982, and that this case should be dismissed without prejudice.

IT IS THEREFORE ORDERED That this case be and it hereby is dismissed without prejudice.

Done at Frankfort, Kentucky, this 17th day of March, 1982.
